

# Growing2gether Participant Consent Form

Growing2gether aims to find out how effective its programmes are. In order to achieve this, we need your help in providing us with information so that we can help make any improvements to benefit other young people like you. Growing2gether is responsible for deciding why and how this information will be used, who will be able to see it and making sure that it is used fairly and in compliance with the GDPR and Data Protection Act of 2018. Growing2gether are also committed to your and other participants' safety and we ask that you adhere to any behavioural codes that may apply.

**Consent** (please read carefully and indicate your consent or agreement by ticking the boxes)

- The Growing2gether programme/activity I wish to participate in has been outlined to me in detail and I have had an opportunity to ask questions and have had these questions answered satisfactorily.
- I understand that my participation is voluntary (my choice) and that I may withdraw from the programme at any time without giving reason.
- I understand that all information collected will be in accordance with GDPR and Data Protection Act of 2018.
- I give permission for any video footage and photos taken during the programme/activity to be used anonymously in print or online (including social media) to further the aims of Growing2gether.
- I understand that the information that I provide for research purposes is confidential, and that no information provided that could lead to the identification of any individual will be disclosed in any of the study output or in any published data.
- I give permission to schools to share information about me to make sure I am suitable for the programme and that this information will be kept strictly confidential.
- I agree to take part on the programme and to participate fully and to attend regularly.
- I have read Growing2gether's **online safety agreement** and for my own and other participants' safety, I agree to follow the online behavioural code at all times.
